General Information: Our art room is a noncompetitive environment where self-expression and a variety of art materials are explored. There is a lesson planned for each class and students will be taught various drawing, painting, and sculpting techniques. All classes and camps have limited seating so early registration is suggested. Our waiting area is small. It would be greatly appreciated if students were not dropped off early to class.

Students are permitted 2 make-up classes within the semester. Make-up classes must be scheduled in advance and be made up within 2 weeks of when class was missed.

To Register: Fill in and cut out the registration form below and mail it along with your check written out to your total amount. Please make your check out to The Center for Visual Arts. Full payment upon registration is preferred, however if it is more convenient you may pay half of your total amount at the time of registration and the remaining amount within 2 weeks of registration. All accounts must be paid in full by the first week in March. Sibling and immediate family members will receive 10% off of the 2nd student. Art materials are included in the price of the program. Adults pay for their own supplies.
